# PHILIPPINE NOTICES TO MARINERS

Edition No. 11  
30 November 2015

Notice No. 274-275

---

### CONTENTS

- I Index of Charts affected
  - II Notices to Mariners
  - III NAVPhil Information
- 

Produced by the Hydrography Branch

Published by the  
Department of Environment and Natural Resources  
NATIONAL MAPPING AND RESOURCE INFORMATION AUTHORITY

Notices to Mariners – Philippine edition are now on-line at  
[http:// www.namria.gov.ph](http://www.namria.gov.ph) under the heading **Publication**

Subscription may be requested thru e-mail at [oss@namria.gov.ph](mailto:oss@namria.gov.ph)

## GENERAL NOTICES

1. **NOTICES TO MARINERS** is a publication issued to mariners giving emphasis to changes in aids to navigation as well as recent charts correction data. It can be availed through a written application to the **Director, Hydrography Branch, NAMRIA, 421 Barraca Street, San Nicolas, 1010 Manila**. Copies may also be obtained directly from **NAMRIA** or other agencies distributing marine information. Digital format could be downloaded from **NAMRIA** Website: [www.namria.gov.ph](http://www.namria.gov.ph). or requested through E-mail address: [oss@namria.gov.ph](mailto:oss@namria.gov.ph). An international service of centralization of Notices To Mariners exists in offices at various ports where national and certain foreign Notices To Mariners may be obtained. The Hydrography Branch of NAMRIA is the office of centralization in the Philippines.
2. The capital "P" or "T" affixed in the number of any notice denotes "*preliminary*" or "*temporary*", respectively. Asterisk " \* " indicates that the information is based upon original Philippine source.
3. The codes of symbols in braces "[ ]" are referred to the INT 1 Publication of the International Hydrographic Organization (IHO).
4. All directions and bearings are measured clockwise from true North 000" to 360". Bearing on lights is based on the observer from seaward toward the light
5. The visibility assigned to the lights never exceeds the calculated distance at which they can be seen from a height of 4.57 meters above the level of the water at high tide.
6. Masters of vessels and other concerned are requested to advance any report of dangers to navigation and other information affecting Philippine Charts and Coast Pilots which may come to their attention to the **Director, Hydrography Branch, 421 Barraca Street, San Nicolas, 1010 Manila, Philippines**. If such information warrants urgent attention like for instance the non-existence of aids to navigation or failure of light beacons or similar structure or existence of floating mines, masters of vessels are requested to contact directly NAMRIA Radio Station DUS (free of charge) at 0800 and 1600 hours on weekdays and 0900 and 1600 hours on Saturdays. Station DUS transmits on 8484.0 KHz (Channel 1-CW) and 6363.0 KHz (Channel 2-CW). Contacts by landline may be had through telephone nos. (+632)245-0295, Facsimile nos. (+632)242-2090 and E-mail: [icsu\\_hd@namria.gov.ph](mailto:icsu_hd@namria.gov.ph).
7. Changes in aids to navigation, their maintenance and correction of deficiencies in operation are under the operation of the Philippine Coast Guard. Report of defects and recommendations concerning aids to navigation should be forwarded to the Commandant, Philippine Coast Guard, Port Area, Manila, Philippines.
8. **WARNINGS:** Masters of vessels are warned that great care should be exercised in navigating Philippine waters because of the low visibility and occasional failure of some temporary lights. Buoys and beacons are sometimes lost or destroyed specially after typhoons. Temporary deficiencies in the standard aids to navigation published in this office may have been corrected before subsequent notice is issued.
9. Nautical Charts, Coast Pilot book, Topographic Maps, Tide and Current Tables and related publications are available for sale at the following NAMRIA Map Sales offices:

## REQUEST FOR CORRECTIVE INFORMATION

Mariners are requested to notify the **Hydrography Branch, NAMRIA** of any changes or discrepancies found on Charts published by this office especially if this affect navigational safety in Philippine Waters. Reports may be sent by radio (see item # 6 General Notices), or by Facsimile (FAX No. (632) 242 20 90) or by speed mail to:

NAMRIA  
Hydrography Branch  
421 Barraca Street, San Nicolas  
1010 Manila, Philippines  
Attention: Maritime Affairs Division

Reports may also be sent by electronic mail (e-mail) to:  
[icsu\\_hd@namria.gov.ph](mailto:icsu_hd@namria.gov.ph)

*(Please send the information in format similar to that found at the back cover of this publication)*
